There were also cameras installed at Centerview in and around the building. There are also multiple projects that were underfunded and the E.D. along with the RCAT team came up with a clear plan to move funding from one big project to multiple other more important projects. Those underfunded projects include tub surrounds at Linden Apartments, roll-in showers at Congregate, and new water heaters and storage tanks for Centerview. The renovation project at 230 W. Main St is almost complete. We are just waiting for the driveway project to be completed before we can lease it up. Last, but certainly not least, the newer elevator at Centerview is finally being repaired. The elevator company is expecting up to seven weeks of labor.
- Unanticipated: Chair, Fran Gauthier has addressed the Board stating that she would like to resign as Chair but remain a Board member. She stated
